I m working 9 to 5

B

It s like I m buried alive

G#m

C#

My boss is always on my case and I hate him

F#

He s got a Mercedes Benz,

B

With really lame ass rims

G#m

C#

And I m stuck at the bus stop waiting!

F#

B

G#m

C#

His girlfriend is 18, and my girl dumped me

F#

B

G#m

She said You can t afford me and went for the money, the money, money, money,

CHORUS:

F#

B

I wish I was a Rock Star, (Oh Oh)

G#m

C#

Breaking all the girls hearts (Oh Oh)

F#

B

If I was Eddie Vedder (Oh Oh)

G#m

C#

G#m **C#**
 And the paparazzi stalk us when they carry me home
D# **C#** **B**
 I wish I d learnt to play the damn guitar
F# **B** **G#m** **C#**
 I wish I was a Rock Star (whistle)
F# **B** **G#m** **C#**
 I wish I was a Rock Star (whistle)

(The chords are the same for the rest of the song)

VERSE 2

When I got home, it went from bad to worse,
 My roomie sold my x-box for a six pack
 I wanna kick his ass and get all my cash back,
 But he s six foot four and a douchebag
 So I m heading to LA, with the guitar I can t play,
 Hoping to someday make a lot of money, money, money, money.

CHORUS:

I wish I was a Rock Star, (Oh Oh)
 Breaking all the girls hearts (Oh Oh)
 If I was Eddie Vedder (Oh Oh)
 I bet you d like me better (Oh Oh)
 Doing shots of Patron,
 With P! nk and Emma Stone
 And the paparazzi stalk us when they carry me home
 I wish I d learnt to play the damn guitar

I wish I was a Rock Star (whistle)
 I wish I was a Rock Star (whistle)

I learnt a couple of chords and kept the verses short,
 It was sad but now it s kinda funny,
 I wrote a catchy song that went to number 1,
 About a girl that left me for the money.

CHORUS:

Now I am a Rock Star, (Oh Oh)
 Breaking all the girls hearts (Oh Oh)
 Hanging out with Vedder (Oh Oh)
 I bet you like me better (Oh Oh)
 Doing shots of Patron,
 With P! nk and Emma Stone
 I bet that you wish that you could carry me home

Thank God I learnt to play the damn guitar

And I thank you for the way you broke my heart

Cos now I am a Rock Star

I am a Rock star

I m a Rock Star!
