

**Shut Up And Kiss Me**

**Reece Mastin**

Hi, First tab so let me no what you think. Did this quickly by ear as no one has put the

chords up so they may be wrong but it sounds pretty good along to the recording.

Chords

are roughly in the correct place but its not to hard to figure out the chord changes

once you listen to the original!

Capo 1

Standard tuning

[Verse]

**G** **C**  
Out in the crowd, it s the middle of the night  
**Em** **Dm**  
Everybody s looking at you  
**G** **C**  
Familiar faces but nothing seems to phase me  
**Em** **Dm**  
It s all about me and you

[Pre-Chorus]

**G**  
yeah, the night is still young  
**C**  
We gotta have some fun  
**Em** **Dm**  
we ll leave it all behind now  
**G**  
I m not saying I m mister right  
**C**  
But leave without a fight  
**Em** **Dm**  
I gotta make a move somehow

[Chorus]

**G**  
Cause I don t wanna waste tonight  
**C**  
Let s turn out all the lights now  
**Em** **Dm**  
Make out on your bedroom floor  
**G**  
No I don t wanna say good bye  
**C**

Wishing for the spot light

**Em** **Dm**

Missing on your bedroom floor

**G**

So shut up and kiss me

**C**

No need to tease me

**Em** **Dm**

You don t need to say no more

**G**

Shut up and kiss me

**C**

I know you re gonna miss me

**Em** **Dm**

Kissing on your bedroom floor

[Verse]

**G** **C**

So what you think are we on the same page

**Em** **Dm**

Cause I don t wanna play the same game

**G** **C**

So Roll a dice we don t need to think twice

**Em** **Dm**

You re gonna beat me every time we play
