

Drunk Again
Reel Big Fish

INTRO **F A A7 Bb C C7** X2

VERSE 1

F **A** **A7**
If I had a dollar bill for every time I ve been wrong
Bb **C** **C7**
I d be a self-made millionaire and you d still be gone
F **A** **A7**
So hand me down my best dress shoes and my best dress shirt
Bb **C** **C7**
Cause I m going out in style to cover the hurt

VERSE 2

F **A** **A7**
All I wanna do all day is spend it in bed
Bb **C** **C7**
But that s bad for the body and even worse for my head
F **A** **A7**
So I ll try and find a place where no one will ask me a thing
Bb **C** **C7**
It will help me to forget and help me to sing

CHORUS

F **Eb** **Dm** **C#** **C**
Cause now i m drunk again,a means to my end,and i m scared of myself
F **Eb** **Dm** **C#** **C** **F**
Cause now it s all the same,the places and names,and I m scared of myself again

VERSE 3

F **A** **A7**
Have you ever wanted to wake up from your dreaming
Bb **C** **C7**
It scared you so bad you couldn t you control your heart or your breathing
F **A** **A7**
Well walk out the door with me on the floor you don t care how i m feeling
Bb **C** **C7**
I guess if we get tired of fighting then it s no longer appealing

CHORUS

F **Eb** **Dm** **C#** **C**
Cause now i m drunk again,a means to my end,and i m scared of myself
