

**I Know You Too Well To Like You Anymore
Reel Big Fish**

G C Em D
I know you too well to like you anymore
G C F D
I know you too well to like you anymore
G C
There s a nightmare where my dream girl was
Em D
My prince charming is a bore
G C F D
And I know you too well and I don t like you anymore

(Trumpet/Saxophone Solo)

G D Em C
When we first started, even if you farted, I d laugh and ask for more.
G D Em
And in the beginning we always were grinning, we didn t know what we were
C
smiling for.
G D Em C
We d hold hands and then break dance, or rap like Dr. Dre.
G D Em
And side by side, we d drink all night, disgusting all our friends with our
C
PDA.

C D
You felt so good deep in my heart, and that s for sure.
F
But now I feel sick when I m around you.
D
It hurts my head to think of how

G C Em D
I know you too well to like you anymore
G C F D
I know you too well to like you anymore
G C
I m stuck with someone I can t stand
Em D
I can t stand you even more
G C F D
And I know you too well and I don t like you anymore

(More Trumpets/Saxophones)

G D Em C

I hate the way you always say you could find somebody else.

G **D** **Em** **C**
And you've got me on such a tight leash that I'm starting to strangle myself.

G **D** **Em** **C**
You criticize, I know that I'll never be what you want me to be.

G **D** **Em**
When you used to be such a sight for sore eyes, but now looking at you is
C
like a knife in me.

Em
Your heart is filled with daggers
D
Your kiss is like razor blades
C
You'd rather stroke that champagne bottle
D
I'll toss you a hand grenade!

G **C** **Em** **D**
I know you too well to like you anymore

G **C** **F** **D**
I know you too well to like you anymore

G **C**
You're mean and you're unfriendly

Em **D**
Well you're an attention whore

G **C** **F** **D**
And I know you too well and I don't like you

C **D**
But I love you. Please stay.

C **G** **D**
No one makes me more miserable so please don't go away.

Em **D**
Cause I need you always.

C **Em**
I'll never be able to forget you.

D
I wish that I had never met you!

(Guitar Solo)

G **D** **Em** **C**
How did this all get so ugly, you became so strange.

G **D** **Em**
You're always coiled back, ready to attack. Your lips curled over your
C
vampire fangs.

G **D** **Em** **C**
They say be careful what you wish for, it just might come your way.

G **D** **Em** **C**
Well, I dreamed about you baby, but now I'm dreaming of my escape.

Em **D**
I knew you were a bad idea, but I had to have you anyway.

C **D**
Now of all my worst mistakes this one is hear to stay!

(No Chords)
You re a son of a bitch, you know that?

G **C** **Em** **D**
I know you too well to like you anymore
G **C** **F** **D**
I know you too well to like you anymore
G **C**
There s a nightmare where my dream girl was
Em **D**
My prince charming is a bore
G **C** **F** **D**
And I know you too well and I don t like you
G **C** **Em** **D**
I know you too well to like you anymore
G **C** **F** **D**
I know you too well to like you anymore
G **C**
I m stuck with someone I can t stand
Em **D**
I can t stand you even more
G **C** **F** **D**
And I know you too well and I don t like you

G
You re a slut
D
You re a dick
Em
You re a whore
D
You re a prick
C **D**
You make me fucking sick
G
You ve got no tits
D
Well, you re a needle dick
C **D**
I m so sick of your shit
G
Well you re a hag
D
And you re a drag
C **D**
You drive me fucking mad
G **D**
Well I wish you d go to hell
C **D**
But I love you

G

Oh well...
