

The Chase

Reese Lansangan

[Verse 1]

Let me tell you all about

A

All about this boy

Bb

Oh, he loved me so

Bbm

But I didn't know

What love was

I am old enough to live alone

Bb

Figure life out on my own

But I still

Bbm

Don't know what love is

[Pre-Chorus]

F

So, somebody tell me

A

What's wrong with my mind

Bb

I shut the door too many times

Bbm

Must've ignored all the signs

That might have led me to somebody good

Bb

Who'll treat me like they should

Bbm

I guess I'll never know

[Chorus]

Bb

But all this time I'm chasing the wrong kind

C

I've been blinded

Am

When I saw the danger in his eyes

Dm

I can't explain myself

C

Bb

All this time I'm chasing the wrong kind

C

I've been blinded

Am

When I saw the danger in his eyes

Dm C

It gets me every time

[Verse 2]

F

Tell you all about this boy I knew

A

Yeah, I was all about that boy

Bb

But he played me like a toy

Bbm

Oh, he didn't know what love was

F

A

I should be smart enough to weed out

Bb

The good from all the bad, no doubt

Bbm

But I still

Don't know what love is all about

[Pre-Chorus]

F

So, somebody tell me

A

What's wrong with my mind

Bb

I shut the door too many times
