

Another Town
Regina Spektor

This is my first tab or whatever, so its not gonna be perfect, but its a good attempt right?

I can't get the chord progression between the G and the Ab. If someone would be so kind as to add it to the comments I'll edit it in. Same for the (I love you) parts.

Also can someone advise me on how to make it look neater?

C G
In another town

Ab B D C
Don't let me forget

G
In another town

Ab B D C
Mouths full of regrets

G
In another town

Ab B D C
Please place final bets

G
In another town

Ab
But I know

I know

I know

C G
In another town

Ab B D B D C
My fingers so cold

G
In another town

Ab B D C
My soul feels so old

G
In another town

Ab B D C
I sold all my gold

In another town

Ab
I know

I know

I know

For the next part, i dunno use your imagination, or if someone could tab
something out,
i d be most grateful:]

I love you

I love you

I love you

I love you

I love you

And so on till the end:)
