

Eet
Regina Spektor

Capo 6

Itâ€™s like forgetting the words to your favorite song 

You canâ€™t believe it 

You were always singing along 

It was so easy and the words so sweet 

You canâ€™t remember 

You try to feel the beat  

Eeeeeeeeeee, eet, eet, eet 

Eeeeeeeeeee, eet, eet, eet 

You spent half of your life trying to fall behind 

Youâ€™re using your headphones to drown out your mind 

It was so easy, and the words so sweet 

You canâ€™t remember 

You try to move your feet 

Eeeeeeeeeee, eet, eet, eet 

Eeeeeeeeeee, eet, eet, eet 

Someoneâ€™s deciding whether or not to steal 

He opens the window just to feel the chill 

He hears that outside a small boy just starting to cry 

â€™Cause itâ€™s his turn but his brother wonâ€™t let him try  

Itâ€™s like forgetting the words to your favorite song
