Firewood Regina Spektor

Capo 1

C

The piano is not firewood yet

F

C Dm

They try to remember but still they forget

C

That the heart beats in threes

C

Just like a waltz

F

' Dm

And nothing can stop you from dancing

C

Rise from your cold hospital bed

C7

I tell you, you re not dying

C Fm C Fsus2

Everyone knows you re going to live

C Am6/G G7

So you might as well start trying

С

The piano is not firewood yet

ŗ

But the cold does get cold

Dm

So it soon might be that

C

I ll take it apart, call up my friends

F C

And we ll warm up our hands by the fire

C

Don t look so shocked

Don t judge so harsh

C7

You don t know

F

You are only spying

C Fm C Fsus2

Everyone knows it s going to hurt

C Am6/G G7

But at least we ll get hurt trying

C

The piano is not firewood yet

But a heart can t be helped And it gathers regret Someday you ll wake up and feel a great pain F C Dm G And you ll miss every toy you ever owned You ll want to go back You ll wish you were small F C7 Nothing can slow the crying Fm Fsus2 You ll take the clock off of your wall C G7 C And you ll wish it was lying Love what you have and you ll have more love You re not dying Fm Fsus2 Everyone knows you re going to love Though there s still no cure for crying
