

One More Time With Feeling

Regina Spektor

C (note) B (note)
Your stitches are all out But your scars are healing wrong
C (note) B (note)
And the helium balloon inside your room has come undone
C G
And it s pushing up at the ceiling
Am G# (note) F
And the flickering lights it cannot get beyond

Oh everyone takes turns
Now it s yours to play the part
And they re sitting all around you
Holding copies of your chart
And the misery in their eyes
Is synchronized and reflected into yours

C G
Hold on
Am F
One more time with feeling
Try it again
Breathing s just a rhythm
C E
Say it in your mind
Am F
Until you know that the words are right
C E F
This is, why we, fight

Do do do do do do-we-oo-we-oo-we-oo
Do do do do do do
Do do do do do doooooooooo

You thought by now you d be
So much better than you are
You thought by now they d see
That you had come so far
And the pride inside their eyes
Would synchronize into a love you ve never know
So much more than you ve been shown

Hold on
One more time with feeling
Try it again
Breathing s just a rhythm
Say it in your mind
Until you know that the words are right

This is, why we, fight

This is, why, we fight

Do do do do do do-we-oo-we-oo-we-oo

Do do do do do do

Do do do do do doooooooooo
