Prisoners chords

Okay...well. This site messes up the spacing when you submit it. but I m sure you can figure out where the chords go....i can t see to fix the position. but you at least know what chords in what order for what line. x] haha. Have fun.

Am **Dm**
All of the prisoners serving life sentences
Am **Dm** **E**
Wait for the earth to suddenly shake
F **E**
For the walls to somehow suddenly come crumbling, tumbling and
Dm **E**
For the bars to somehow magically break

Am
Aw, There s nothing wrong with them
Dm
That a thousand bucks can t fix
Am **Dm** **E**
That a thousand arms can t hold down
F **E**
In the ground they re tattooing the stones with
Dm **E**
Cusses like cavemen - your momma was here

F **C**
But they want to run through the air with no barriers or obstacles
F **C**
Gunmen or guard dogs or priests
F **C**
And to rise from the mud and start over and over
F **D7**
With the people all dead.

Am
If Hans Christian Andersen could ve had his way with me

Then none of this shit would have ever gone down

In my cell I m tattooing myself with

Mermaids and swallows and though I do swallow

My mama thinks I m grown but I m really just little

Am Dm F E

And someday I will remember

Am Dm F E

And someday I will remember

Am Dm F E

And someday I will remember
