

Time Is All Around
Regina Spektor

Verse:

C
You step on all my parts
Em
And then you walk right out the door
F
And I know that your love ain t never coming back no more

C
Time is all around
Em
Except inside my clock
F
Everybody s waiting for their lover to unlock

G **F** **C**
Leaves become most beautiful when they re about to die
G
When they re about to fall from trees
F **C**
When they re about to dry

C
Up
C
Time is all around
Em **G** **C**
Time is all around

C **Em**
I hallucinate a cat between my feet
Am
I m stepping lightly so it s not to
C
Hurt
F
It

C
Everybody wants
Em
To say that you have changed
Am
Of course you ve changed, you ve changed, you ve changed
F
Your mind s been rearranged

G **F** **C**

Leaves become most beautiful when they re about to die

G

When they re about to fall from trees

F

C

When they re about to dry up

Am

F#min

Why am I supposed to love if I don t want to love?

G

C

Why am I supposed to, I m so tired

Am

Why am I supposed to love if I don t want to?

F

I don t want

G

I don t want to

F

I don t want

G

F

C

Leaves become most beautiful when they re about to die

G

When they re about to fall from trees

F

C

When they re about to dry up
