**G**  
Im all messed up  
**C**  
I walk these time zones  
**F** **G**  
Never know where I am  
**G** **C**  
Am I chasing a dream or a milestone  
**F**  
I try to live up to who they think I am

**G** **C**  
I got two ladies back at the house  
**F** **G**  
And thats where I wish I was  
**G**  
But no use complaining  
**C**  
Got to keep it entertaining  
**F**  
And never let em hear you fuss

**G**  
So when I talk about the road  
**C**  
I talk about livin  
**F**  
Talk about good times  
**G**  
Talk about givin  
**G**  
All you got  
**C**  
Every night to the rhythm  
**F** **G**  
Until it takes you back home

**G**

Sometimes reality can blow my mind

**G**
