Intro:

**E**

Verse 1:

**E**

I m so tired of the phone baby  
I don t like the tone of the way we

**F#m**

say I love you, a thousand times

**Asus2**

**Bsus4**

We say those words but we can t look into each other s eyes

Chorus:

**Asus2**

**F#m**

Oh and I guess we made it

**E**

or at least we made it this far

**F#**

And it all looks smooth from here

**Asus2**

**F#m**

**E**

Oh and in a future day there may be waves but I must say the skies

**F#**

have never looked so clear

**Asus2**

**Bsus4**

Oh and I guess we made it

**E**

cause it an t far to go from here

Verse 2:

**E**

I m so tired of the road baby  
Driving through the snow and just maybe

**F#m**

You ll sit back, think about the times

**Asus2**

**Bsus4**

when we said those words and we looked into each other s eyes

Chorus

Bridge:

**F#m**

You have given me a heart attack, you ll never know

**E**

What it s like to have to face the fact you might let go

**Asus2**

Now I won t stand for any thought of that, heavens no

**C#m**

**F#**

**Asus2**

Cause I will cling to you and always have a stronger hold

**Bsus4 Asus2 Bsus4**

Chorus

End on E
