**A#**

It s been the year filled with problems

**Gm**

But now your here almost as if to solve them

**E**

**F**

I can t live in a world without you now

**A#**

All my life I ve been searching for you

**Gm**

How did I survive in this world before you

**D#**

**F**

Cause I don t wanna live another day without you now

Chorus

**A#**

This is the best thing

**Gm**

The best thing that could be happening

**D#**

And I think you would agree

**F**

**A#**

The best thing is that it s happening to you and me

Verse 2

**A#**

All I wanna have is all that you can give me

**Gm**

And I ll give right back everything I have in me

**D#**

**F**

Cause nothing ever felt as right as this does right now

**A#**

**Gm**

I ll go back to before we met try and erase the past

**D#**

**F**

Try harder to forget cause nothing will ever be as good

**A#**

As here and now

Prechorus

**A#**

Cause when i lookd into your eyes

**Gm**

And you dared to stare right back

**D#**

**F**

You should have said nice to meet you I m your other half
