Verse 1
Em7*

I donâ€™t like the steps I took
G C G
To get into your deepest feelings
Em7*
But I donâ€™t like the place Iâ€™m in
G C G
Head space with in the heart would never ceiling
B7 Em7*
Cause if Iâ€™m restless why do I?
C G
I want nothing but to rest my soul
B7 Em7*
And I donâ€™t get this and I know why
C Dsus2*
You see sometimes things are just beyond control

Chorus

Gsus2
But I donâ€™t mind
Gsus2/F# Em7
But Iâ€™m not surprised to find you do
Cadd9/A Cadd9 Dsus2
Iâ€™m not surprised to find you do, I know you do
Gsus2
And I feel fine
Gsus2/F# Em7
But I know the same does not apply to you
Cadd9/A Cadd9
I know the same does not apply to you
C*
So I guess that Iâ€™ll curl up and die too

Interlude
Em7*

Verse 2

Em7* **G**
 Clinging to the remnants of perfection
C G
 Like most do after they break it
Em7* **G**
 Not knowing which direction is the correct one
C G
 Do I discard or remake it?
B7 Em7*
 Cause if I don't know then I don't know
C G
 But I may know someone who knows me more than I
B7 Em7*
 And if I could somehow rest this soul
C Dsus2*
 Maybe control could find its way back into my life

Chorus 2

Gsus2
 Well I don't mind
Gsus2/F# Em7
 But I'm not surprised to find you do
Cadd9/A Cadd9 Dsus2
 You see I know I've done all this to you, to you
Gsus2
 And I feel fine
Gsus2/F# Em7
 But I know the same does not apply to you
Cadd9/A Cadd9
 Yeah, I know the same does not apply to you
C*
 So I guess that I'll curl up and die too
