Verse 1:

B  
It s the principle  
G  
it s the issue  
D                    A  
that your priciple will dismiss you.

B                    G  
Because you don t fit into that all-American box  
D                    A  
that coffin created for created thought.

Chorus:

G  
Its disgusting  
A  
his priority  
B                    D  
And how were entrusting him  
      A        G  
with authority

G                    A                    D  
The gavels gone down before he looked in your heart  
                  B            A                    G            A  
He finished this racism before he reached the start.

G                                  A                                  D  
The gavels gone down before he looked in your heart

B                      A                                  G                  A                  B  
He finished this racism before he reached the start.

Jesus loved the outcasts.  
He loves the one the world just loves to hate.  
And as long as there s a heaven.  
There ll be a Failure to Excommunicate.
