

**Five Iron Frenzy Is Either Dead Or Dying**  
**Relient K**

Ya ba ba ba!

**A**                **E**    **F#m**                **E**  
Five iron frenzy (oh, oh, oh)

**D**                                **A**  
They were good, they were good,

**E**  
They were really, really, really good

**A**                **E**    **F#m**                **E**  
Five iron frenzy (oh, oh, oh)

**D**                **A**                                **E**  
When you see them, we really,

Really think you should

**D**                                **E**                                **A**  
Thank them for giving their blood,

**F#m**  
Sweat, and tears, yeah

**D**                                **E**                                **A**  
Their music, we won't let it stop

**D**                                **E**  
Then taunt them until they get

**A**                **F#m**  
Angry and bite you

**D**                                **E**                                **A**  
And go get yourself a tennis shot

hyeah!
