

Forget And Not Slow Down
Relient K

This is my first tab/chord posting. Rate how it is!

-- Capo 1 --

[Intro]

G D G D G Bm A

transitions are pretty fast)

[Verse]

D

How many times

Can I push it aside

G

Is it time I befriended all the ghosts of all the things that haunt me most

D

So they leave me alone

Move on with my life

G

Be certain the steps of left and right don t fight the direction of upright

[Chorus]

Bm

A

I d rather forget and not slow down

D

G

Than gather regret for the things I can t change now

Bm

A

If I become what I can t accept

D

G

Resurrect the saint from within the wretch

Bm

D

Pour over me and wash my hands of it

[Instumental]

G D G D G Bm A

[Verse]

D

It s time to decide

Which is out of my mind

G

Cause it ll be me unless I put some thoughts to rest and leave some faults
behind

D

I ll watch the glint in my eye

Shine off the spring in my step

G

And could be blinding depending on the amount of You that I reflect

A

Asus

A

Aadd9

Cause I could spend my life just trying to sift through

A
