~INTRO~

E Asus2 C#m B Asus2

~VERSE~

E Asus2
It s always nice to look out the window
E Asus2
And see those very first few flakes of snow
E Asus2
And later on we can go outside
C#m B Asus2 F#m
And create the impression of an angel that just fell from the sky
(F#m) E B F#m
When February rolls around I ll roll my eyes
E B F#m
Turn a cold shoulder to these even colder skies
E B Asus2
And by the fire my heart it heaves a sigh
For the green grass waiting on the other side

~CHORUS~

E Asus2
It s always winter but never Christmas
F#m Asus2 B
It seems this curse just can t be lifted
E Asus2
Yet in the midst of all this ice and snow
F#m Asus2 B E
Our hearts stay warm cause they are filled with hope

~VERSE~

E Asus2
It d be so nice to look out the window
E Asus2

And see the leaves on the trees begin to show

E **Asus2**

The birds would congregate and sing

C#m **B** **Asus2**

A song of birth a song of newer things

F#m **E** **B**

The wind would calm and the sun would shine

F#m **E** **B**

I d go outside and I d squint my eyes

F#m **E** **B** **Asus2**

But for now I will simply just withdraw

Sit here and wish for this world to thaw

~CHORUS~

E **Asus2**

It s always winter but never Christmas

F#m **Asus2** **B**

It seems this curse just can t be lifted

E **Asus2**

Yet in the midst of all this ice and snow

F#m **Asus2** **B** **E**

Our hearts stay warm cause they are filled with hope

This dying world you brought it back to life

And you gave us the most beautiful of days
