It s always nice to look out the window

When February rolls around I ll roll my eyes

And by the fire my heart it heaves a sigh
(hold **A2**)
For the green grass waiting on the other side

CHORUS
E   A2
It s always winter but never Christmas
F#m   A2   B
It seems this curse just can t be lifted

Yet in the midst of all this ice and snow
F#m   B   A2   E (ring out)
Our hearts stay warm cause they are filled with hope

VERSE 3
E   A2
It d be so nice to look out the window
     E   A2

The birds would congregate and sing

A song of birth a song of newer things

The wind would calm and the sun would shine
F#m   **E**   **B**

But for now I will simply just withdraw
(hold **A2**)
Sit here and wish for this world to thaw

E   **A2**
It s always winter but never Christmas

And everything it changed overnight
C#m   **B**   **A2**
This dying world you brought it back to life

Away oh away
C#m   **B**   **A2**
And you gave us the most beautiful of days

E   **A2**
Cause when it s always winter but never Christmas

That you are here and we will not lose hope
