

My Girls Ex-Boyfriend
Relient K

My first tab. I transcribed it from the Tab book for the album Mmhmm from power chords to an acoustic tab

F5

When he was seeing her

C5

G5

You could see he had his doubts

F5

And now he s missing her

C5

G5

Because he knows he s missing out

F5

Now it s haunting him

C5

G5

The memories like a ghost

F5

He s so terrified

C5

G5

Cause no one else even comes close

F5

C5

He s the guy that you should feel sorry for

F5

C5

G5

He had the world but he thought that he wanted more

F5

C5

D5

I owe it all to the mistake he made back then

A5

F5

C5

I owe it all to my girl s ex-boyfriend

F5

So then, along comes me,

C5

G5

This undeserving mess

F5

Who would believe

C5

G5

My life would be so blessed

F5

Two years ago

C5

G5

He left all that debris

F5

Who would have known

C5

G5

He would leave everything I need

F5 **C5**

He s the guy that you should feel sorry for

F5 **C5** **G5**

He had the world but he thought that he wanted more

F5 **C5** **D5**

I owe it all to the mistake he made back then

A5 **F5** **C5**

I owe it all to my girl s ex-boyfriend

F5

If it wasn t for him

C5 **G5**

I would still be searching

F5

If it wasn t for him

A5 **G5**

I wouldn t know my best friend

F5

If it wasn t for him

C5

He would be able to see

A5

If it wasn t for him

F5 **G5** **C5**

He d be as happy as me

F5 **C/E** **G5**

When she and I settle down you can bet

F5 **C/E** **G5**

That he is going to have to settle for less

F5 **C5** **G5**

He s someone that I would hate to be

A5 **G5** **F5** **Fm**

I got the girl and he s left with just the memory.

F5 **C5**

He s the guy that you should feel sorry for

F5 **C5** **G5**

He had the world but he thought that he wanted more

F5 **C5** **D5**

I owe it all to the mistake he made back then

A5 **F5** **C5**

I owe it all to my girl s ex-boyfriend

F5

If it wasn t for him

C5 **G5**

I would still be searching

F5

If it wasn t for him

A5 **G5**

I wouldn't know my best friend

F5

If it wasn't for him

C5

He would be able to see

A5

If it wasn't for him

F5 **G5** **C5**

He'd be as happy as me
