

Over It
Relient K

G **Bm**
I ll admit to who I am
Em **D/F#**
The day I come to understand
C
I haven t got a clue
C **G** **D/F#** **Em** **D/F#**
Been searching for a few years now

G **Bm**
Well if I don t repeat myself
Em **D/F#**

C
Well I don t quite know who
C
Been searching for a few years now

C
I m over it
D/F#
Yeah behind me now
Em **G**
I m just over it
C
Over it
D/F#
Yeah I m finding out
Em **G**
I m just over it
C **D/F#**
No, I don t know what s over just yet
Em **G** **C**
But I won t go slow and time can let the mind forget

D/F# **G**
(Don t tell me you let go
D/F# **Em**
Already)

C
You and no one else so

C **D/F#**
You say you made up your mind and you've finally decided

Em
But those that helped you choose

C **D/F#** **Em** **C**
Haven't the slightest clue as to the magnitude of what you're about to lose

G **Bm**
I'm guarded and therefore I can endure

Em
A little bit more

D/F#
Just a little bit more

C
Than some people would

C
If I'm not misunderstood

G **Bm**
It's still an attempt to be egoless while self-assured

Em **D/F#**
If I'm still unsure that I'm pretty sure

C
That I am pretty good

C
God, you know I'm good and
