

The Best Thing
Relient K

[Intro] B D#m E C#m F# B

B

It s been the year filled with problems

G#m

But now your here almost as if to solve them

E

F#

I can t live in a world without you now

B

All my life iv e been searching for you

G#m

How did I survive in this world before you

E

F#

Cause I dont wanna live another day without you now

B

This is the best thing

G#m

The best thing that could be happening

E

And I think you would agree

F#

The best thing is that its happening to you and me

B

All I wanna have is all that you can give me

G#m

And I ll give right back everything I have in me

E

F#

Cause nothing ever felt as right as this does right now

B

G#m

I ll go back to before we met try and erase the past try harder to forget

E

F#

B

Cause nothing will ever be as good as here and now

B

Cause when I looked into your eyes

G#m

And you dared to stare right back

E

F#

You should have said nice to meet you I m your other half

B

This is the best thing

G#m

The best thing that could be happening

2x

E

And I think you would agree

F#

The best thing is that its happening to you and me

G#m

I always knew I d find someone

E

I never dreamt it be like this

B

F#

Cause you ve surpassed all that I ve hoped for and ever wished

B

G#m

And I m trying so hard with all my heart and mind

E

F#

To make your life as good as you ve made mine
