VERSE:

F#m **A** **D**
I guess itâ€™s safe to say youâ€™re never coming back
F#m **A** **D**
And I understand why you wouldnâ€™t want to
E **F#m** **D** **A** **D**
I guess itâ€™s up to me to find a way to get to you

PRECHORUS:

F#m **A** **D**
And I canâ€™t see you
F#m **A** **D**
Getting used to
F#m **A** **D** **E**
Living in the midst of your perfection
F#m **A** **D**
And I m so lost
F#m **A** **D**
How can you trust
F#m **A** **D** **E**
Somewhere the sun is always shining

CHORUS:

A **E**
And there s just one last thing that I have to say
Bm
As we reflect on the mess of all this that I ve made
A **E**
It was cowardice that made me push you away
Bm **D**
I was so afraid cause you were so much better than me

ENDING: **A**
