Verse 1

```
          G                Bm  
Now the radio stutters snaps to life  
Em          D                C  
Some sour song that sets it right  
          G          C  
And when London falls  
          G          C  
He d like to call  
          G                Bm  
But the stars collide  
          Em          D                C  
They re beautiful and much maligned  
          G          C          G C  
In a universe where you see the worst  
          D  
And it s up to you to fix it
```

Chorus

```
          C                G  
Now you ve worked it out  
          D  
And you see it all  
          C                G  
Now you ve worked it out  
          D  
And you see it all  
          C                G  
And you want to shout  
          D  
How you see it all (riff)
```

Verse 2

```
          G                Bm  
It s easy to dismiss the what s it all about crowd  
Em          D                C  
There is no doubt it s this, here, now  
          G          C  
And you close your eyes
```

G C
He s not coming back
 G Bm
So you ve worked it out, overfeed the cat
 Em D C
And the plants are dry and they need to drink

 G C G C
So you do your best and you flood the sink
 D
Sit down in the kitchen and cry

Chorus

 C G
Now you ve worked it out
 D
And you see it all
 C G
Now you ve worked it out
 D
And you see it all
 C G
And you want to shout
 D
How you see it all (riff)

Verse 3

 G Bm
Now the universe left you for a runner lap
Em D C
It feels like home when it comes crushing back
 G C
And it makes you laugh
 G C
And it makes you cry
 G
When London falls
 Bm
And you are still alive
 Em D
The radio stutters
 C
It makes you laugh
 G C
And the aftermath
 G C
Open up your eyes
 D
You are so alive

Chorus

 C G
Now you ve worked it out
 D
And you see it all
 C G
Now you ve worked it out
 D
And you see it all
 C G
And you want to shout
 D
How you see it all (riff)
