DARK GLOBE (Syd Barrett)
Oh where are you now, pussy willow that smiled on my sleeve?
When I was alone you promised a stone from your heart.
My head kissed the ground
I was half the way down
           G
                D
Treading the sand, please...
     C D
Please lift a hand, I m only a person
         C
Whose arm bands beads on his hands hang tall.
Won t you miss me,
D7
Wouldn t you miss me at all?
                   G7
G
My head touched the ground
I was half the way down
Strumming the sand,
            С
Please lift a hand, I m only a person.
           C D C
With eskimo chain I tattered my brain all the way
                 D
```
