

Disappear

R.E.M.

R.E.M.

Album: Reveal

intro guitar riff:

```

E-----|
B-----1-----0-----1-----0-----|
G-----2---2-----0---0-----2---2-----0---0---. |
D-0h2-----0h2-----0h2-----0h2-----|
A-----|
E-----|

```

during the second time around during this riff, another guitar plays a lot of harmonics on the high strings at the 5th fret, kinda like this:

```

E-----|
B-----|
G-----|
D-----|
A-----|
E-----|

```

while this isn't exactly what is played, it's the gist of it. listen to the song to hear how much to do the harmonics...

verse:

(Am) (during the first few lines of the verse)

C C/B Am (that had not yet appeared)

(during that C-C/B-Am progression, more of the 5th-fret harmonics are played.)

chorus:

G D C Bm Em

bridge:

G F Em D

G F Em Em

repeat intro, then go back to verse.

End on Em.

C/B: x20010
