GOOD ADVICES

The basic chords for this song are E, D and A, although not the normal open E, D and A. There s also an Em and some picking as well.

Here are the chords as I hear them, but due to the numerous guitar tracks on the studio version, your guess is as good as mine:

E	D	A	Em	D-lick	
E-0-----0-----0-----0-----2-----0-----	B-0-----0-----0-----0-----3-3-----3---3-----	G-9-----7-----6-----0-----2---2-----2-----	D-9-----7-----7-----2-----0-----	A-7-----5-----0-----2-----	E-0-----X-----X-----0-----

The song fades in on the E chord and the verses go:

E		Verse II:
When you greet a stranger,		When you greet a stranger,
D		Look at her hands,
Look at his shoes.		Keep your money in your hands,
A		Put your travel behind.
Keep your money in your shoes,		
D-lick		
Put your trouble behind.

Verse III:

At the end of the day,
 I ll forget your name.
 I d like it here if I couldn t
 Even see you from a long way away.

Verse IV:

When you greet a stranger,
 Look at his shoes.
 Keep your memories in your shoes,
 Put your travel behind.

CHORUS (as above):

Break:

Em
 At the end of the day,
 When there are no friends.

Verse V: (wierd but it works)

And there are no lovers.
 Who are you going to call for?
 What do you have to change.
 (Mike Mills in the background)

Verse VI:

Familiar face, a boring place,
 I ll forget your name.
 I d like it here if I couldn t
 Even see you from a long way away.

CHORUS (as above) END

When you greet a stranger look at his shoes
 Keep your money in your shoes put your trouble behind
 When you greet a stranger look at his hands
 Keep your money in your hands put your travel behind
 Who are you going to call for, what do you have to say
 Keep your hat on your head home is a long way away
 At the end of the day, I ll forget your name

I d like it here if I could leave and see you from a long way away

When you greet a stranger, look at her shoes
Keep you memories in your shoes, put your travel behind
Who are you going to call for, what do you have to say
Keep your hat on your head
Home is a long way away
At the end of the day, when there are no friends
When there are no lovers, who are you going to call for
What do you have to change

A familiar face a foreign place I forget your name
I d like it here if I could leave and see you from a long way away
Who are you going to call for, what do you have to say
Keep your hat on your head
Home is a long way away
