I --- I ----- I ---- believe my shirt is wearing thin

Bb

And change is what I believe in

{same as before}

When I was young and give and take

And foolish said my fool awake

When I was young and fever fell

My spirit, I will not tell

You re on your honor, on your honor

When I was young and give and take

And foolish said my fool awake

When I was young and fever fell

My spirit I will not tell

You re on your honor on your honor

Trust in your calling, make sure your calling s true

Think of others, the others think of you

Silly rule golden words make, practice practice makes perfect,

Perfect is a fault, and fault lines change

I believe my humor s wearing thin

And change is what I believe in

{break: **Dm Bb Dm Bb D Bb C**}

I believe my shirt is wearing thin

And change is what I believe in

When I was young and full of grace

As spirited a rattlesnake

When I was young and fever fell

My spirit, I will not tell

You re on your honor, on your honor

C

Am

I believe my throat hurts

Bb

C

Example is the checker to the key

I believe my humor s wearing thin

And I believe the poles are shifting

I believe my shirt is wearing thin

And change is what I believe in

End on Dm.
