The rain came down The rain came down
Am G F
The rain came down on me

It fades to memory

Am G F
In summer s yawn, now hopeless
Am C
You laid me bare And marked me there
Am G F
The promises we made

C Am
I used to think, as birds take wing,
Em F
They sing through life, so why can t we?
C Am
We cling to this, and claim the best
Em F
If this is what you re offering

 I wanted just to say

 And open up inside, inside of me
