

It's The End Of The World As We Know It (And I Feel Fine)

R.E.M.

G **Cmaj7** **G**
That s great, it starts with an earthquake, birds and snakes, an airplane -
Cmaj7 **G**
Lenny Bruce is not afraid. Eye of a hurricane, listen to yourself churn -
Cmaj7 **G**
world serves its own needs, dummy serve your own needs. Feed it off a aux.,
Cmaj7
speak, grunt no, strength. The ladder starts to clatter with the fear fight,
Bb **Am**
down, height. Wire in a fire, represent the seven games in a government for
G
hire and a combat site. Left of West and coming in a hurry with the furies
Cmaj7 **G**
breathing down your neck. Team by team reporters baffled, trumped, tethered
Cmaj7 **G**
cropped. Look at that low plane! Fine, then. Uh oh, overflow, population,
Cmaj7
common food, but it ll do. Save yourself, serve yourself. World serves its
G **Cmaj7**
own needs, listen to your heart bleed. Dummy with the rapture and the
Bb
reverent in the right - Right. You vitriolic, patriotic, slam, fight, bright
Am
light, feeling pretty psyched.

G **Dsus2** **Am**
It s the end of the world as we know it.

Six o clock - TV hour. Don t get caught in foreign tower. Slash and burn,
G
return, listen to yourself churn. Lock him in uniform and book burning,
Cmaj7 **G**
blood letting. Every motive escalate. Automotive incinerate. Light a candle,
Cmaj7
light a motive. Step down, step down. Watch a heel crush, crush. Uh oh,
G **Cmaj7**
this means no fear - cavalier. Renegade and steer clear! A tournament,
Bb
a tournament, a tournament of lies. Offer me solutions, offer me alternatives
Am
and I decline.
