When I m moving too fast			Where s my new address?		

Lyrics:

It s been pretty simple so far, vacation in Athens is calling me
And knock, knock, knock on wood, I thought I d left you behind
Heaven is yours, heaven is yours, heaven s yours where I live

The thought of the catacombs left my soul at home
This letter never sent
And it s so far, it s so dark, i m so lost
Heaven s yours, heaven s yours, heaven s yours where I live
(Another story, another story for a while, someone show me)
When I m moving too fast, where s my new address?

The water is evening now, the catacombs are filling in
If my soul was made of stone, no, not, not so dark, dark

And it s so far, it s so dark, i m so lost
And it s so far, it s so far, it s so far

Heaven s yours, heaven s yours, heaven s yours where I live
(Another story, another story for a while, someone show me)
Heaven s yours, heaven s yours, heaven s yours where I live
(Another story, another story for a while, someone show me)
