So Fast So Numb
R.E.M.

```
D              F           C           G
You re movin  through rough waters motel boy,
D         F         C
and swimming in your sleep.
D         F      C           G
How could I be so blind, mis-sighted,
D                   F                   C
not to see there s something wounded deep?

D              F           C      G
Anyone could scratch your surface now,
D        F       C
it s all amphetamine
D            F           C           G
you re blasting yourself into the present
D          F           C
learn some vast indignity, say that,

F            G
You say that you hate it,
F            G
you want to re-create it
Em       C       G              D
I ve been around, I ve been your lover.
Em        C        F
I let it go at Kill Devil Hill,
Em              C              G           G
You re coming onto something so fast, so numb
                         C
that you can t even feel.
```

You re drinking the raw Drano baby,
You do-si-do, saddo
You re you in cartilage, shark-eyed, shock horror, all present tense,
and boy your blood is running cold.
Listen, this is now, this is here, this is me,
this is what I wanted you to see.
That was then, was that, that is gone, this is past,
you cast yourself cast, passed by, gone down fast, you say,

```
F            G
You say that you hate it,
F            G
you want to re-create it
```

```
Em          C       G                 D
I ve been around, I ve been your lover.
Em        C       F
I let it go at Kill Devil Hill,
Em               C                 G            G
You re coming onto something so fast, so numb
                    C
that you can t even feel.

{Solo}:   F    G
          Bb   C

You love it. You hate it.
You want to re-create it.
Now, this is here, this is me,
This is what I wanted you to see.
That was then, was that, that is gone.
That is what I wanted you to feel.

You love it. You hate it.
You spit it out, the bitter pill.
I ve been around, I ve been your lover
I let it go at Kill Devil Hill.
You re coming onto something so fast, so numb
that you can t even feel.

I ve played this round, I ve played your lover.
I ve played it out to the hilt.
You re comin  on with something so fast, so numb
that you can t even feel.

you played around, you played me lover,
I let it go at Kill Devil Hill.
You re moving so hard, so fast, so numb
that you can t even feel.
