**F#**                    **B** **A**    **E**  
Wonder why you haven t before

**E**                    **A**                    **C#**                    **C**    **B**  
If you are confused check with the sun

**E**                    **A**                    **G**                    **A** **B**  
Carry a compass to help you along

**E**                    **A**                    **C#**                    **C**    **B**  
Your feet are going to be on the ground

**E**                    **A**                    **G**                    **G** **A** **B**  
Your head is there to move you around

Your feet are going to be on the ground  
Your head is there to move you around  
If wishes were trees the trees would be falling  
Listen to reason  
The reason is calling

{at the end of this song, it goes up a key, so the chords are:

**F# B C#** .....

then they go up again to:

**G# C# D#** .....

however, the song ends on:

**E**

so STAND!
