Why d you put your quarter down on me?

```
E A F#
                                   B E A A2
This reads like some dork Inside Edition, Hard Copy.
     E
                    А
I can t be your character witness, I can t be your alibi.
                 E
Doorbell rings it s the FBI, we learned spy versus spy
You my friend are guilty as can be.
                                             A2
       F#
              E
                      F#
                           E
                                       F#
I know you called. I know you called. I know you called.
                                              A2
       F# E F#
                             E
I know you called. I know you called. I know you hung up my line.
           E F# E F#
       F#
I know you called. I know you called. I know you called.
       F#
              E F#
                             E F#
                                                 A2
I know you called. I know you called. I can t be your alibi.
           | B | E | fast slide down |
