Song: Heartbeat
Artist: Remedy Drive
Album: Daylight Is Coming

Verse 1:

Am **F**
This is a draught, been living without
C
The one thing life requires
Am **F**
What a mess, Passionless
C
Somewhere I lost the fire
Am **F**
Oh my my, Where has it gone
C **G**
Can anybody turn this beat back on?
Am **F** **G**
My heart is fast asleep, dreaming it could bleed
Am **F**
For something that s real, my desperate appeal
C **G**
God Iâ€™m getting tired of the way I feel
Am **F** **G**
When I would rather be alive

Chorus:

Am **F**
I want to wake up, I want to restart
C **G** **F**
Put the drumbeat back in my heart
Am **G**
I need to be revived, Bring me back to life

Interlude:

(**Am** **F** **C** **G**) x2

Verse 2:

Am **F** **C** **G**
Coming on slow head to toe, the pulse is back again
Am **F**
Itâ€™s grace in my veins, replacing the pain

C **G**
Bringing me back from the dead
Am **F**
Oh my my now I can see
C **G**
You heard me cry emergency
Am **F** **G**
Screaming out for help, you saved me from myself
Am **F**
The fires returned Iâ€™m letting it burn
C **G**
Thereâ€™s nothing better in the whole wide world
Am **F** **G**
It feels so good to be alive

(Chorus)
