Remi - Save your Soul

Em **C**
He woke up, and wore

G **B**
His heavy uni-form

Em **C**
Son put that, gun away

G **B**
But he doesn t plan to obey

Em
Cause his mind s made up

C
He was trained for that

G **B**
And that s the only thing he ll say

Em
But he is blind you see

C
From this hatred filled

G **B**
And now his world is gone astray

G **B** **Em**
Son save your soul

G **B** **Em**
Son save your soul

C **G** **B**
You ve been wrong for so long

Em **C**
I once had heard her say

G **B**
My life is not the one i used to dream of

Em **C**
And all i do is pray

G **B**
But it doesn t work from where i come from

Em
And i prayed for change

C
Beyond my range

G **B**
But i dont feel it anymore

Em
But my soul is safe

C
Cause i work all day

G **B**
And i bring my money home

G **B** **Em**
Son save your soul

G **B** **Em**
Son save your soul

C **G** **B**
You ve been wrong for so long

C
There is nothing i desire

G
But i am still dreaming

C
And the few things i admire

G
Dont have that much meaning

B **Em**
Not a thing touches my soul

C
One thing i must fight

G
To keep myself from dreaming

C
Few things i desire

G
Buuut i wake up screaming

B **Em**
Not a thing touches my soul (x2)

B
None...

Em **C**
She left when morning came

G **B**
Cause she couldn t place the blame

Em **C**
His dreams became a wa-aa-all

G **B**
And for her it s just too ta-aa-all

Em
In my new sweet home

C

Just-outside of Rome

G **B**
He brings me flowers every day

Em
And my life feels right

C
We go out at night

G **B**
And he always wants to pay

G **B** **Em**
Son save your soul

G **B** **Em**
Son save your soul

C **G** **B**
You ve been wrong for so long
