

I Met Your Mercy  
Remy Shand

[Verse]

**DM7** **AM7**  
Do you love me or do you hate  
**DM7** **AM7** **DM7**  
It's only when you would look at me that way (out of mind)  
**AM7**  
I've been hanging round here for much too long (here on my own)  
**DM7**  
When I feel that tremble deep inside  
**AM7** **E7**  
I know my troubles just begun

[ Chorus ]

**A** **C#m7**  
I met your mercy  
**D** **C#m7**  
when you turned me on  
**D** **E7** **A**  
I try to think twice about the bad times  
**D** **E7** **A** **A7**  
Whoa I try to think twice about the bad times.

[Verse]

DM7 AM7  
Empty handed was my middle name

DM7 AM7  
Yet I feel a little righteous just the same (I heard the news)

DM7 AM7  
Who knew I d be traded in for a better bunch (a better bunch)

DM7  
When you left me standin with so much to lose

AM7 E7  
Oh baby, what s a man to do?

[ Chorus ]

**A** **C#m7**  
I met your mercy

**D** **C#m7**  
when you turned me on

**D** **E7** **A**  
I try to think twice about the bad times

**D** **E7** **A** **A7**  
Whoa I try to think twice about the bad times.
