

Fair

Remy Zero

Song: Fair

Artist: Remy Zero

Tabbed by: crazyalex10

This is a great song... I think the tab is pretty accurate... I tabbed out the chords

at the bottom... Just listen to the song a few times, it s pretty easy to play... Just

listen to the song for the exact timing, not sure if I got that part right...Have fun

INTRO

B/A B B/A B

VERSE

B/A B

Hey, are you lonely?

C G

Has summer gone so slowly?

B/A B

But we found the ground

G

And that damage was done

A D

It s cold as you fade into the sun

F#m G

Where d you go? To me

B/A B B/A B

VERSE - SAME

B/A

But you re alive

B

Well, it s only

C G

Fallen frames, they told me

B/A B

You stand out, it s so loud

G

And so what if it is?

A

D

It s cold as you face into the wind

F#

G

Where d it go?

Tonight the sun shall see its light

CHORUS

D

A

So what if you catch me,

B

Where would we land?

G

In somebody s life

A

D

For taking his hands

A

Sing to me hope

B

As she s thrown on the sand

G

A

D

All of your worth is rated again

F#

G

Where to go?

BRIDGE

F# G D A F# G

VERSE

D

B

And you were somehow

C

G

The rain this thing could allow

D

You tried but it s all wrong

B

You re so strong

G

And this life and work

A **D**
And choice took far too long

F# **G**
Where d it go?

Tonight the sun shall see its light

CHORUS

D **A**
So what if you catch me,

B
Where would we land?

G
In somebody s life

A **D**
For taking his hands

A
Sing to me hope

B
As she s thrown on the sand

G **A** **D**
All of our worth is rated again

CHORUS - Same

When I was sure you d follow through
My world was turned to blue
When you d hide your songs would die
So I d hide yours with mine
And all my words were bound to fail
I know you won t fail
See, I can tell
