**Bb**

Here they come, here they come

**Eb**

Here they come and they might as well

**Bb Eb**

Too many birds in my confusion now

**Bb Eb**

**Cm**

**D**

**Gm**

Now they ll circle over this house till we take them in ooh

**Gm**

**F**

**Eb**

Ooh, you show me a sign to rise up from the world we know

**D**

And she s strung out on life

He soon rolls his teeth

**Gm F**

**Eb**

**D**

Itâ€™s spilling out from a mouth fit to overflow back into me

**Gm**

**F**

**Eb**

She moves and it s fire un der -- water

**D**

Speaks in its flame she speaks my name

**Gm**

**F**

**Eb**

Well they all really want you

**D**

If only you had wan - ted them

**C**

Lights move in the chalk lines

**D**

Chains that define who I am

**F**

**A**

Here we are again (how could I have seen?)

**Gm Eb**  
Always she s driving (how could I have known?)

**Gm Eb**  
Right through the strangest calling (I should have known)

**Gm Eb**  
Straight through the sound gramarye, I ve found

**D D/F# G**  
See how she s driving me

Straight from the sound

**Gm F Eb**  
She s seen as a bright sun to anyone

**D**  
Hollow and mined with the weight of the world

**Gm F Eb**  
Trailing out till the last train discovers me

**D**  
Alive on Vine

**Gm F Eb**  
She moves and it s fire un " derwa -- ter

**D**  
Speaks in its flame she speaks my name

**Cm**  
As you move in the chalk line

**D**  
Change in the dream that I am

**F A**  
Here we are the same

**Bb Eb Bb Eb Bb Eb Cm D D/F#**

**Bb Eb**  
I used to see something in the idea

**Bb Eb**  
But only once did my hands reach anything beautiful

**Bb**                    **Eb**                    **Cm D G**

Now she s turned away and I, ohhh

**Gm**                    **F**                    **Eb**

We move in it s fire (show me a sign) un â€" derwa -- ter

**D**

Speaking in its flame, it speaks my name

**Gm**                    **F Eb**

She proves (soon roll its teeth) the liar,

**D**

On every one of them we are the same

**C**

Lights move in a chalk line

**D**

Change in the fire who I am

**F**                    **A**

Here we are again (how could I have seen?)

**Gm**                    **Eb**

Always she s driving (how could I have known?)

**Gm**                    **Eb**

Right through the strangest calling

**Gm**                    **Eb**

Straight through the sound gramarye I have found

**D**                    **D/F#**

See how she s driving me (how could I have seen?)

**Gm**                    **Eb**

Always she s driving (how could I have known?)

**Gm**                    **Eb**

Back through the strangest calling

**Gm**

Straight through the sound

**Eb**

Gramarye, I found

**D**                    **D/F#**                    **Gm**

See how she s driving me down
