How you move like that
Como te mueves asi
Doing it right just for me

And now we re dancing in the dark
We re dancing in the dark
Dancing in the dark
We re dancing in the dark

Yeah, you ve got confidence
Walk like a queen with no consequences
You know I ve been clear with the message
When you re next to me I?m obsessed
But am I doing this right?
Maybe slow down, got me guessing all night
I think that I like it

And now we re dancing in the dark
We re dancing in the dark
Dancing in the dark
We re dancing in the dark
