Renaissance - Closer Than Yesterday

Introduction: **G D C A7 D B Em D C**

**G** **G(B6)**

As morning leaves the night

**G6**

Opening my eyes

**Cm G(b6)**

I feel that you are close to me

**G**

And yet

**G(b6)**

Your heart is time away

**G6**

But I can't hold a dream

**Cm G(b6)**

That sleeps within my yesterdays

**C**

And so

**D**

Coming very close now

**Cm G**

I see my destiny

**E7 Am7**

Is to make you part of me

**C G**

And to hope that you might be

**D D9 D D4**

Pure and free

Chorus:

**G D Em7 D C**

Leave memories on the wind

**G Em7 D G**

To spend moments in endless flight

**D Em7 D C**

Held over by all you mean

**G Em7 D**

I feel you nearer that darkest night

**Cm G G G(B6) G6 G(B6) G**

Closer now than yesterday

Hoping for a chance  
To find you loving me  
In the distance  
Searching there Iâ'll be  
In time  
You may come to me  
To fall into the world  
That once we left so far behind  
To learn  
With each passing moment  
As tomorrow comes for me  
In the shadows of my life  
For eternity to find  
The light I see

Chorus
