**E Esus4 E Esus4**  
/ / / / / / / / / / There is an

**E Esus4 E Esus4**  
island where it should never be, surrounded

**C#m C E Esus4**  
by suburban sea. And through the

**C#m C B A**  
tired and hopeless waves to where it s free, I want to be

**E D C**  
there. I want to be there. I want to be there for the rest of my

**E Esus4**  
time. / / / /

There on the island the  
The sun is always bright.  
The moon sends the darkness away in the night.  
I know that it s waiting, I know there s a place  
Ready for me.  
I want to be there (3x)  
For the rest of my time.

Warm sounds of windsongs  
Come down through the trees.  
But faraway tears are borne on the breeze.  
I ll follow the raindrops, cause sunshine and smiles  
Are waiting for me.  
I want to be there (3x)  
For the rest of my time.
