tired and hopeless waves to where it s free, I want to be

there. I want to be there. I want to be there for the rest of my

Esus4 time. / / / /

There on the island the The sun is always bright.

The moon sends the darkness away in the night.

I know that it s waiting, I know there s a place Ready for me.

I want to be there (3x)For the rest of my time.

Warm sounds of windsongs

Come down through the trees.

But faraway tears are borne on the breeze.

I ll follow the raindrops, cause sunshine and smiles

Are waiting for me.

I want to be there (3x)

For the rest of my time.
