

Clothes Of Sand
Renato Russo

(intro 2x) Bbm G#

Bbm G# Bbm
Who has dressed you in strange clothes of sand?
F# F
Who has taken you, far from my land?
Bbm G# Bbm
Who has said that my sayings were wrong?
F# F Bbm
And who will say that I stayed much too long?

(refrão)

F# G# Bbm
Clothes of sand have covered your face
F# C# F
Given you meaning, taken my place
F# G# Bbm Eb
So make your way on, down to the sea
F# F Bbm G# Bbm
Something has taken you, so far from me.
Bbm G# Bbm
Does it now seem worth all the colour of skies?
F# F
To see the earth, through painted eyes?
Bbm G# Bbm
To look through panes of shaded glass?
F# F Bbm
See the stains of winter s grass.
Bbm G# Bbm
Can you now return to from where you came?
F# F
Try to burn, your changing name?
Bbm G#
Or with silver spoons and coloured light
F# F Bbm
Will you worship moons, in winter s night.
