

Hey, That's No Way To Say Goodbye
Renato Russo

(intro) **A A4 A**

D

I loved you in the morning
Our kisses deep and warm

Bm

Your head upon the pillow
Like a sleepy golden storm

G

Yes many loved before us
I know that we are not a new

D

In cities and in forests
They smile like me and you

Bm

But now it's come to distances
And both of us must cry

G

Your eyes are soft with sorrow

Hey, that's no way to say goodbye

D

I'm not looking for another as I
Wander in my time

Bm

Walk me to the corner
Our steps will always ride

G

You know my love goes with you
And your love stays with me

D

It's just the way it changes
Like the shorelines and the sea

Bm

But let's not talk of love or chains
And things we can't untie

G

Your eyes are soft with sorrow
