

**Hey, That's No Way To Say Goodbye**  
**Renato Russo**

(intro) **A A4 A**

**D**

I loved you in the morning  
Our kisses deep and warm

**Bm**

Your head upon the pillow  
Like a sleepy golden storm

**G**

Yes many loved before us  
I know that we are not a new

**D**

In cities and in forests  
They smile like me and you

**Bm**

But now it's come to distances  
And both of us must cry

**G**

**A**

Your eyes are soft with sorrow

**A4**

**A7**

**D**

(**A A4 A**)

Hey, that's no way to say goodbye

**D**

I'm not looking for another as I  
Wander in my time

**Bm**

Walk me to the corner  
Our steps will always ride

**G**

You know my love goes with you  
And your love stays with me

**D**

It's just the way it changes  
Like the shorelines and the sea

**Bm**

But let's not talk of love or chains  
And things we can't untie

**G**

**A**

Your eyes are soft with sorrow
