

If You See Him, Say Hello

Renato Russo

Intro: (A G)3x D

D G D A D  
If you see him, say hello, he might be in Tangier  
D G D C A  
He left here last early spring, is livin there, I hear  
Bm G D  
Say for me that I m all right though  
G  
things get kind of slow  
Bm A  
He might think that I ve forgotten him,  
G D  
Don t tell him it isn t so.  
D G D A D  
We had a falling-out, like lovers often will  
D G D  
And to think of how he left that night,  
C A  
it still brings me a chill  
Bm G D  
And though our separation,  
G  
it pierced me to the heart  
Bm A G D  
He still lives inside of me, we ve never been apart  
D G D A D  
If you get close to him, kiss him once for me  
G D  
I always have respected him  
C A  
for doing what he did and gettin free  
Bm G D  
Oh, whatever makes him happy,  
G  
I won t stand in the way  
Bm A  
Though the bitter taste still lingers on  
G D  
from the night I tried to make him stay  
D G D A D  
I see a lot of people as I make the rounds  
G D  
And I hear his name here and there  
C A  
as I go from town to town

And I ve never gotten used to it,

I ve just learned to turn it off

Either I m too sensitive or else I m gettin soft.

Sundown, yellow moon, I replay the past

I know every scene by heart,

they all went by so fast

If he s passin back this way,

I m not that hard to find

Tell him he can look me up if he s got the time.
