

**Come On**  
**Rend Collective**

Not only is this song very simple musically, more importantly it works really well within a worship set as a call to a boundless response of worship to God. It gives us opportunity to let down the walls that we so often have up before God when we come to worship. I ve used it a few times in leading worship and found it works especially well at the beginning of a set.

**Emajor**                    **C#m**    **Asus2**  
Come on my soul, come on my soul  
**Emajor**                    **C#m**    **Asus2**  
Let down the walls and sing my soul

**Emajor**  
Come on, come on, come on, come on  
**C#m**                    **Asus2**  
Its time to look up
