Staring death

In the face

The end of the human race

Of the human race

No it s not too late

No it s not the right time

Chorus:

No it s not the right time

To cross the gate invisible line

Established by mankind

Our planet is abused

Can t live this way any more

I don t know

Are we near the end?

It is real?

Ten years it might be too late

No it s not the right time

No it s not the right time

To cross the gate invisible

Established by mankind

Our planet is abused

Won t live this way anymore
